From

R [illegible] DRA P C BUCHROS, [illegible], B A,
Chairman City Improvement Trust Board
Mysore

To

[illegible] ALTE, [illegible], B A,
Secretary to the Government of
His Highness the Maharaja of Mysore
Revenue Department, Bangalore

Sir

I have the honour to forward herewith an estimate for Rs 62,180/- for formation of sites to the west of Sri Jayachamarajapuram, sanctioned by the Board of Trustees at their ordinary meeting held on 18th December 1946 and to request that you will be so good as to obtain sanction of Government thereto

A copy of the Board's Resolution sanctioning the estimate is also enclosed for reference The report accompanying explains the necessity for the work

The cost of this work will be met out by realization of sale of sites The scheme is a self-supporting one In this office letter Al C 542/46-47 dated the 8th May 1947, wherein an advance of Rs 3 lakhs has been asked for, for starting a few of the self-supporting schemes during 1947-48, provision had been made for this work also But as it may take some time more to receive the above advance of Rs 3 lakhs, it is proposed to utilise part of the amount now available under the three extension funds for the above work and start the same immediately as a number of bungalow and cottage sites can be formed in this locality apart from sites for construction of 46 model houses The amount of Rs 26,180/- proposed to be taken from the Extension Funds as a temporary measure, can be recouped soon after sites are formed and sold The work will be executed after calling for local quotations, by piece work system

The favour of early sanction to the estimate and for starting the work as proposed above is requested Pending sanction of Government the work will be started and pushed through

I have the honour to be,
Sir,
Your most obedient servant,

Chairman
